1. DONNA

Game Girls!

Recently, me and a gang of my mates went away on a hen weekend, renting a cottage.

The only pub within walking distance was snotty as fuck, full of people looking at us like we were something they'd just trodden in. So, for the Saturday, we decided to find an offie, buy loads of booze and stay in and get rat-arsed.

It was a right laugh. After doing vodka shots, we started playing Dares. No point with Truth, as none of us have any secrets from each other anyway. And we didn't fuck around spinning bottles, we just sat in our circle and took shaven pussy.

Donna, whose turn it was directly before me, got dared to stick a finger up her cunt in front of the rest of us. She didn't bat an eyelid and she went one better, giving us a V-sign. Then she pulled her skirt up and her pants sideways and shoved both fingers knuckle-deep in her fanny.

Earlier on she'd snogged a couple of the other girls and that had been enough to get her going. When she pulled her fingers back out again, they were soaking wet and shiny with fuck-cream. She went to lick them clean

but someone stopped her, saying that that was my dare. I made a big thing of it, sucking and moaning like I was going down on the world's meatiest cock. But I wasn't faking how much I liked her taste. The next game wasn't quite as big a deal, passing a cocktail cherry round the circle mouth to mouth. Donna had to show off again and snog me, passing it back every time I passed it to her, and I ended up swallowing it. I blamed her and other girls decided we both had to do another forfeit. The hen threw us the dildo we'd all bought for her, and said I had to use it on Donna. We'd gone all-out for size. I knew Donna was wet, but was she wet enough? As I moved in closer I gave her pussy a rub. It was neatly trimmed, and felt so good as I peeled back her lips to expose her clit.

I used the head of the dildo on it, until I knew those juices were really flowing! Now I used my fingers on her nub as I brought the dildo down to her hole. I slipped the very tip of it in, so I could work her juices on the shaft, but it was still a tight squeeze pushing it inside her – even though she's probably had more

dick than dinner in her time! Just as I started to fuck her with it, she told me to straddle her face. I'd never done this with a woman before but I love to take a licking off a man this way. It stretches me to the max so the slightest touch gets me tingling all over. Donna started to play with my clit, then made me scream out loud as she started to finger me too.

Meanwhile I was working up a right froth with the dildo, stirring it round one way as I circled my fingers on her clit in the other direction. She was twitching inside but still screamed for even more. That didn't stop her fingers working magic up my snatch. Her mouth was clamped over my clitoris, sucking as she fondled me,

and I couldn't have kept from cumming if I'd wanted to. The harder she sucked me, the harder I screwed that big, thick toy in and out of her hole. But I was first to cum, bucking over her face a few seconds before her cunt clenched tight.

The girls were looking at us goggle-eyed. We've all done a lot in our time, but Donna and I'd just pushed the boundaries.

Not that we regret it – what happens on tour stays on tour, after all. That's why I'm not going to try to take things any further with Donna now we're back home – I don't want it fucking up our friendship. That said, I hope I'm going to get to taste a lot more pussy before long!

FRANKIE

It was all Frankie Babe's idea to dress up as some kind of Biker Chick, and at the end of the day who were we to complain! "It's always fun to have a bit of a gimmick, it gets boring otherwise," Frankie told us. "But let's be honest, I'm sure your readers aren't too fussed about the story and all they want to see are my huge tits and wet snatch!" Yep, Us too!

We don't often put Yanks in Escort, but we had to make an exception for Allie Haze, mainly because she loves a good portion of fish and chips, but more than that she enjoys a good cock stuffing in any of the three holes she's got open and available! "I can't help it, the bigger the better, and I've never not been able to accommodate what's been put in front of me! I hope there's more to come, I can take plenty more, especially when it's being stuck through a glory hole in a toilet wall!" Sorry that was one of us!

REAL WIFE SEX

Sara Takes part in a game of doctors & nurses!

"I felt a sense of power that I was turning them on."

Although we're well into the New Year now, I still haven't decided on any resolutions. Healthy eating and exercise were my resolution last year and I promised myself some new clothes if I succeeded.

I really knuckled down and managed to lose over two stone in the first six months, something I had only dreamed about for years. I stayed true to my self-promise, and went shopping for a new wardrobe, to replace the frumpy and shapeless one I already had.

After getting myself some lacy undies and a few other necessities, I began my hunt for the sexiest dress I could find.

Turned out, it was a skin-tight micro-mini from a fetish shop – black rubber with red rubber flames licking up the front from the hemline. I loved how I looked in it, slender yet curvy, with my boobs shoved up into the most incredible cleavage. I chose some red 'stripper' stilettos to go with it – they screamed 'look at me', but they also made my legs look even longer and slimmer, and I couldn't resist them.

While I was out shopping for the new, exciting me, I was handed a flyer for a fetish club.

If I had been handed the leaflet the day before, I probably would have thrown it away, but this daring new version of Sara was intrigued and feeling confident enough to go and have a bit of sexy fun!

That night, I got dolled up in all my sexy new gear, did my hair and make up and couldn't believe how different I looked! I made a pact with myself that I would say yes to whatever I was faced with that night, no matter how nervous I was.

A new me deserved a new experience, after all!

When I arrived, I headed straight to the bar, past numerous couples making out, in various states of undress. This didn't faze me, but I was started to get butterflies in my stomach, thinking about what might be in store for me. I bought myself a cocktail, then wandered around the club, taking all the horny sights in, still wondering where I would find the action for me.

I actually found it a few minutes later, in the 'playroom',

where they had a load of props set up for sexy, roleplay games. A couple acting out a doctor and nurse scenario caught my eye. She was cartoon-sexy – big blonde hair with a little nurse's hat perched on top, bee-stung lips smothered with pink gloss, a tight, metallic-blue nurse's uniform, unbuttoned low enough to expose a white rubber push-up bra, and high heels. He was older, but distinguished looking – he could have passed for a real doctor and I like to think he was – but his suit and white coat were made of rubber. He was also wearing a rubber surgical mask, which made him look slightly imposing. I took a deep breath and approached them; if I was up for a new experience, this was definitely it!

For my 'medical' he had me hop up on a surgical table, padded with rests that raise and splay my legs. "If you could prepare, nurse," he said. "Make sure she's well lubricated for the internal." A crowd began to gather as the nurse started stimulating my clit, teasing it lightly with her rubber gloved fingers. Every now and then she'd dip a finger into my pussy, inspecting it to see how well I was juicing up.

A crowd of men began to gather round me to watch, and although I felt a bit nervous at first, I felt a glow of pleasure, perhaps even a sense of power that I was turning them on so much. The doctor came up to inspect the nurse's work before slipping three gloved fingers inside me, with what seemed to be professional detachment. Even when he hit the spot, sending me into spasms, his eyes, above his mask, didn't show any response. Then he ducked his head between my thighs and licked me through his mask – I felt his tongue against my slit through the thin rubber and I shivered with pleasure. Then he fingered me again and told me, "Ready for treatment. Just relax."

His prick was already hard when he got it out and he wanked it with a gloved, lubricated hand, until it stiffened and swelled even more. Then he eased his cock, smoothly and expertly, up my fanny, sinking in down to his balls. He fucked me like he'd fingered me, cool and detached. As I started to moan and whimper, the nurse came over, holding and stroking my hand, then hushing me with a deep, open mouthed kiss.

She came out of it with her hair dishevelled and traces of my red lipstick all over her mouth, when the

doctor called her. He was trying to stay calm, but she had to mop the sweat running off his brow.

I was in a bit of a state too, groaning and gasping for breath, writhing my naked arse against the table. The nurse put a ventilated 'oxygen mask' over my mouth, just for effect, and breathing in the scent of the black rubber just got me even hornier.

As the doctor rolled my clitoris in between his rubber-coated fingers I started to orgasm, my cunt muscles clamping tightly around his shaft, holding him fast.

This set him off too. He pulled out and wanked off against my rubber dress until spunk exploded out of his japeye to splatter all over me.

After taking my applause from a very appreciative audience, I staggered off to the bar for a drink. I caught sight of myself in a mirror – flushed and a bit dishevelled, with sticky white trails running down the front of my shiny red and black dress – and finally realised how fuckable I looked.

And that's why I haven't settled on a New Year's resolution yet for this year – I know it'll come true, so it needs to be a bloody good one!

THRIST TIME!

My mates and family often ask when I'll settle down, but I never saw the point. I still go clubbing like I used to, whereas all my mates are starting to settle down and have kids, so they're spending their time saving their cash for this and that. As for women, I've always been happy to play the field – I don't make any promises, and if a girl doesn't like it there's plenty more in the queue. But last weekend I met the one who may change my mind... Megan's a 19-year-old babe with a fantastic pair of tits and shoulder length brown hair – and when she turned that sweet-but-filthy little smile on me it was like a red

rag to a bull! She's absolutely tiny, too, just how I like 'em. My opening line was, "Alright, luv – need a hand getting up to the bar, do you?" I bought her a drink and got the feeling she was sizing me up – usually it's me in that position. Later, when, I offered her a lift, she said, "As long as it's back to yours..." The second we got in my door we were all over each other. As we snogged she just went straight for my cock, unzipping and pulling it out, no messing. I had her dress up and her knickers pulled down round her knees, and then I stuck my fingers up the tightest pussy I've ever felt. She wanked me for a few

strokes and we stripped off as I led her upstairs. Then, halfway up, I just lifted her onto my cock. She was so light, I was carrying her up, each step jolting my cock deeper inside her, one hand under her arse to support her. And that cunt of hers – it felt like she was sucking me off with it. I laid her down on the bed but, before I could carry on fucking her, she wriggled herself off my knob and went down on it, using it to rub

her own juices all over her face. She sucked me, her eyes gazing right into mine. And let's just say that got her mouth watering for the next phase. I've never met a girl, no matter how desperate to take my cock, who's let me do her anally on the first night, let alone suggested it. This one got on all fours, her cute little arse tipped up, spat saliva and pussy juice all over her hand, reached back and wiped it on her crack, then said, "C'mon, tiger, fuck my arse!" I'll admit I was actually a bit shocked. And my cock looked fucking massive in between her cheeks, especially next to her arsehole. Even when I was down to my last inch of shaft inside her, and still sinking in, I was thinking, "No way can she take me." But she was loving it. As she wriggled about, her arse impaled, I shoved her cheeks even tighter together, gritted my teeth and held

We do like cotton panties and a nice display of pink, especially when Sophie uses her fingers to spread her pussy open nice and wide showing it all off in it's full glory. "I totally understand, and get, why men are obsessed with pussies, tits and arses, but it goes both ways, us girls love a hard cock, and to be honest it's all I think about! We've all been there, with girls sporting a mighty bush that is, but when you're balls deep in a hairy pussy it feels just as great as it does when you're inside a nicely shaved one! "I don't usually go all natural downstairs but your photographer told me that he liked the look, so I spent a month or so growing it out for him. I thought my boyfriend wouldn't be all that happy about my new look, but he's actually taken to it, so I think I'll keep up with it for a little while longer! It saves me a good ten minutes every morning not having to get the razor out too!"

FILTHY WEBCAMMERS

Working from home – it's the new going to work, isn't it, well, if you're a porno flammer eager to keep her fans happy, webcams! Let's face it, if you can make money from lolling about in your own bed, talking dirty and playing with your naughty bits, you would, wouldn't you? Anyway, this flick from Private pops round to visit 5 British-based starlets and, well, doesn't just watch them do their things for their online punters, but takes a cocksman round so that there's plenty for us DVD viewers to watch as well.

Raunchy Ava Dalush is the first into the fray, and we catch up with her as she flashes her boobs, shakes her ass and chats away to her laptop. Ho, but look, here's a musclebound stud, and before you can say 'Log-off' she's forgotten all about her computer in her desperation to fish his cock out of his jeans. With her curvy rump and furry spadge she looks just the part as she rides him, and it's no wonder he spuffs so well when she finally wanks him off over her norks. Emma Leigh's keeping her punters happy in a swanky looking London apartment, but is soon concentrating all her efforts on one lucky fella. Once he's knocked her tonsils with his nadder they get down to spunky business, her hairless labia looking a treat as they splay to accommodate his length. Sienna Day's a newbie on me, but she's sporting another lovely set of boobs and a filthy mind. By the time she get down to her pink panties I'm a proper convert, and her cocksman is clearly a fan as well, if the bonk-on he's sporting is anything to go by. As a bonus for this guy, she offers up her jacksie for a good pronging as well, and that's just what it gets, too. Stella Cox leaves the backdoor open as well, before tattooed tartlet Misha rounds things off. If you like UK babes, you can't go far wrong here.

FOR

FOR
ONE

Cover-girl Cleo Summers loves to put on a good show for our Escort readers, and on this occasion she certainly hasn't disappointed! "It's the best job in the world getting your tits and twat out! I'd spend my whole life being naked if I could, but it's frowned upon at my local Aldi store, not that it stops me taking the guy that runs security and fucking him out back where they keep the fruit and veg!"

TRINIE

It's been a while since we've seen Pixie, but she made sure to make up for lost time! "I've always fancied the guy that designs Escort magazine, and I gave him an extra special treat by noshing him off in your toilets before the shoot. Maybe next time I'll go one step further and give him a good fucking!" OK! We're all for the staff getting bonuses over here, especially if it doesn't cost us anything! "Don't worry, it won't cost you a penny, I'll do all of the hard work, he just needs to enjoy the ride!"

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the chunky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: www.lovemilfs.uk

Cutesy Chrissy might look all sweet and innocent but she's far from it, and we were present on the day so trust us on this one. It's just a shame we couldn't print the things she did with her dildo. "I love it up the arse," she moaned at us as she slipped the dildo up her poop chute over and over again. "But I always insist that my boyfriend pulls out and cums all over my bum cheeks and back!"

STAR WIFE

Cont. from p.40

A woman with dark hair and sunglasses is posing nude on a beach. She is standing on a large rock, with her legs spread wide. The background shows a rocky coastline with some greenery and the ocean. There are several text overlays on the image: 'CONTACT ME!' in a red banner at the top right, '£150' in a red starburst shape below it, and '4. Hilary, 42' in a pink banner at the bottom left. A blue box at the bottom contains a quote. The entire image is framed by a yellow border with orange vertical stripes.

and pussy through them, and even opening the door to people starters. Thing is, she picks her "targets" carefully, never doing it to anyone who might get offended, which is how she gets away with it.

bollocks between her hands. I decided a wank wouldn't hurt. She saw me unzip and gave me a "You're next, mate!" look. And that's when I stopped fighting it, too. Rick was getting pretty close to the vinegar strokes, now and Steve was fucking her mouth. One time she opened wider to let him slide almost all the way out, his helmet-tip resting on her tongue. It looked like one more suck might finish him off – I pretty much felt it for myself as she sucked him back in with a gulp, and the next time she opened her mouth it was brim-full of jizz. I stepped up but she shook her head, swallowed hard, then said, "You're after him," jerking her head back at Rick. I saw him hit the brink and claw at her hips, so he could spunk in deep. But it still seemed like hours before he finally pulled out.

my spunk back as long as I could. She was reaching down to frig her clit, and every orgasm she worked out of herself squeezed my shaft. In the end my balls just seized up against her cheeks, and I filled her arsehole with cum. Even as we had a quick clean-up in the bathroom, she was all over me again – and she didn't leave me alone all night.

It seemed like every time I came, she'd be on me again within seconds, sucking me to hardness then doing whatever the hell amused her with my cock. The time I came off in her mouth... She was just lying in between my legs, grinning up at me, seemingly oblivious to the streams of spunk running out of her mouth and down her chin...

I think I drifted off once, but next thing I knew she was sat on me, her snatch tight around my prick again. I just couldn't take any more. I wasn't even recovered by the next morning, when she

was ready to go again. Luckily for me, she settled for sucking me off. She left her number, telling me to call if I wanted more. I spent the best part of the day in bed, a bit freaked out if I'm honest.

Let's just say I've shagged a few students in my time and girls of 19 just aren't meant to be that good, that fucking dirty, in the sack.

My cock's been aching for me to ring her, but when I go to dial, the rest of me starts aching too – can I take that much punishment again? But the constant wanks I've been having over the thought of her suggest I'll make the call eventually.

Probably tonight...

Hard Target!

I share a house with a bloke I work with, Steve, and one of our neighbours, Wanda, is a right goer.

She likes to flash for starters – we've seen her standing in her undies in front of the window, feeling up her tits

Being spoken for, we never tried it on, then one day another mate of ours, Rick, came to say. He's one of those permanently horny blokes, who'd crawl naked through a cactus farm to get his dick sucked. So they were the perfect match.

We didn't even have to introduce them. One day Steve and I got back from work to find Rick giving her a seeing-to on all fours on the living room floor. She was wearing a bra about two sizes too small and a pink thong down around her knees.

I just stood there and gawped but Steve got his dick out and stuck it in her face.

"Resistance is useless," he said. I guess I knew the dirty cow would wear down at least one of us in the end! She took about half of it in – no mean feat – and started rubbing his shaft and

As I assumed the position, I saw her well-shagged hole all running with spunk, her tight arse winking at me above it. As I hammered into her snatch my mate's seed spurted out everywhere. Then I shoved her arse cheeks together for an even tighter fuck.

I was mashing into her, pubes teasing her arsehole, and soon she was moaning so hard and loud she couldn't speak. I normally know when I'm going to cum, but this time I felt like something took over me. My body went taut, my balls stopped swinging and lifted right up, then my spunk just geysered out into Wanda's snatch. I lay there feeling her up until the lads told me to move my arse – they were wanking themselves off and wanted a clear shot at her.

She just lay there, moaning, playing with their spunk as Steve splashed her tits and Rick gave her a facial. Then, after a couple of minutes of eating her snatch, I realised I had another boner...
